

NATIONAL SUMMIT ON COMPENSATION & BENEFITS, 9th-10th February 2012

Amongst the multifarious activities of DMA, one of the popular activity of DMA is **National Summit on Compensation & Benefits**. This high profile summit is an annual feature of DMA and has been very well received by the corporate sector and management fraternity.

This year the much awaited DMA Summit is scheduled on **9th-10th February 2012**. It will encompass best practices by speakers of highly successful and eminent organizations. Panel discussions will facilitate interaction between the participants and presenters on key aspects of compensation and benefits.

The summit would also focus on the dynamics of employee pay in the industry and various ways of compensating the employee so that the compensation philosophy is able to drive the right behavior in employees.

Organizations willing to be a part of this Summit by way of Sponsorship/
Nominations may please contact: **Mr. Rajan Pandhi**, Joint Director, DMA
